

## AJM Healthcare

**Role:** Rehabilitation Engineer

**Salary:** Dependant on experience

AJM Healthcare is a long-established provider of Wheelchair & Community Equipment Services to the NHS and Private Sector. We have nearly 35 years' experience in these sectors and see ourselves as market leaders and innovators in particularly integrated Wheelchair Services, helping increase independence, choice, and the very best Service User outcomes. Our team provide a genuine caring, user-centric, and holistic approach that is tailored to each individual, who's needs vary significantly.

### The role:

We are pleased to announce an opportunity has arisen for a Rehabilitation Engineer to join our Integrated Wheelchair Service (assessment, engineering and approved repairer staff all working in one service). You would be working from our service centre based in Rainham, Essex and the successful applicant will provide engineering input to the delivery of wheelchair, seating systems and associated assistive technology based on the specific needs of the client and their environment. A driving licence is desirable, as the job requires travel throughout the area and a vehicle is provided to facilitate this. The job may on occasion involve providing cover for other staff of the rehabilitation engineering team.

### Who we are looking for:

You should hold an honors degree in engineering/applied science or equivalent and have demonstrable experience and proven knowledge industry/healthcare. Prior experience in rehabilitation engineering is essential. In addition to your qualifications and experience in engineering, you will need a sympathetic approach to patients and be able to work within a multi-disciplinary team. Excellent interpersonal skills and the ability to deal empathetically with service users, relatives and carers are paramount in this position, and you will receive professional guidance from the Clinical and Service Leads.

### What we offer you:

- A competitive salary commensurate with qualifications and experience.
- Company pension contributions.
- Company mobile phone and laptop.
- Industry specific awareness training.
- Free on-site parking.
- 30 days holiday inclusive of bank holidays and a day off for your birthday.

- Full training is provided with further opportunities to move in the company for the right candidate.
- A chance to work with a growing, public sector linked business, with an opportunity to enhance your own career over time.

**This position is working in a regulated environment and will therefore be subject to an enhanced DBS disclosure check. Cost will be covered by the Company.**

**Proud Member of the Disability Confident Employer Scheme.**

*AJM Healthcare is an equal opportunities employer who does not discriminate based on race, gender, religion, marital status, age, physical or mental disabilities, medical condition. AJM will generally offer an interview to any applicant that declares they have a disability and meets the minimum criteria for the job as defined by the employer. Please note, during certain high volume recruitment times, AJM may wish to limit the overall number of interviews offered to both disabled people and non-disabled people.*
